

100TH STREET RECONSTRUCTION

As part of the Zoo Interchange project, crews will be reconstructing 100th Street, between Walker Street and the Hank Aaron State Trail, as well as Schlinger Avenue, between 100th Street and 98th Street. Beginning Thursday, June 7, 100th Street will be open to local traffic only. Residents on 100th Street are encouraged to access 100th Street from the south. Parking, on 100th Street, will be restricted throughout the duration of the work. Further communication will be distributed regarding temporary access impacts to driveways during pavement removal and paving operations. This work is expected to be complete by late August 2018.

WHAT TO EXPECT DURING CONSTRUCTION

Be assured that we always work hard to minimize the impact of these events, but, if you have a concern, please do not hesitate to contact us. The project team appreciates your patience during this period of intense construction in your area.

**All closures are weather dependent and subject to change*
